**BEBE, THE BUCCANEER** . . . Bold buccaneer Bebe L'Angelle carefully guards her treasure chest as she makes ready for the Seventh Annual Fiesta de la Playa September 3 to 5 in Belmont Shore, exclusive resort suburb of Long Beach. Features of the Fiesta, a California Centennial celebration, will be two parades, street dances, sailboat races, aquatic shows, men's bathing beauty contest and a beach girl beauty contest of which Bebe is one of the likely queen candidates.

### SALVATION ARMY ASKS FOR USED FURNITURE

An urgent appeal for all kinds of discarded furniture is being made this week by the Salvation Army Social Service Center serving this area through the newly installed manager, Brigadier Fred Ohrn. He is asking the public to cooperate in this emergency by sending no-longer-needed furniture items

A sustained program is entirely dependent upon an adequate inflow of salvage materials. During the past twelve months 3182 men were given an opportunity to work their way back to stability and a new start in life.

Cast-off articles donated by the public to the center are refinished in the center's workshops, furnishing employment for those unable to obtain it elsewhere. The refinished articles are sold at a fraction of their original cost in Salvation Army thrift stores, providing funds with which to pay wages and the cost of operating the center.

at homes or offices, Brigadier Ohrn said, to pick up discarded articles by telephoning Lomita 1330W.

Due to a sudden drop in the amount of used furniture being received at the center the supply for refurbishing is virtually depleted. In order to maintain the program of providing employment for needy persons, the center manager said, there must of necessity be an increase in the discarded furniture supply.

**VACATIONING**  
City Manager George W. Stevens, left Tuesday night to join his family in Tacoma, Washington, for a two-week vacation. The city manager traveled by train to meet his wife and daughter in the northern city. He plans to be back at his desk September 12.

### Toastmasters Nominate New Officers

Torrance Toastmasters Monday evening held nominations for their 1949-50 officers. Nominated for the club's top positions were Harry Burkholder, president; Harry Watkins, vice president; John Hanks, secretary; Willard Garland, treasurer; and M. P. Hunt, sergeant at arms.

The group noted the creation of the office of treasurer in order to take the burden from the secretary who now handles all of the club's finances.

The election of officers will be held at the club's next meeting, September 12. Next Monday evening's regular meeting has been postponed for the observance of Labor Day, stated Harry Watkins, secretary.

Allen Byatt was appointed to head the committee of speakers on Red Feather work requested by Community Chest Co-chairman Dean Sears.

Jake Jacobson was credited with being the best speaker of the evening, and Jerry Alter received the second nod. Other speakers included Watkins, C. B. Walls, and Ray Staver. Luther Mumford was toastmaster.
